

you know, I thought I knew how it was. I thought I knew the world was. I did bad things. I did bad things to women. I haven't heard that quote before, but it's funny ... with some of our cousins that you connected with after the book was published? I realize this is not a great way to live—looking to the future—but for now it's how it is. Three more weeks until the "big day"! Who told these women that they were worth only the sum total of their body parts? I say it is open ended since there isn't a real answer. Then my eyes fly open, mid dream, as I hear it again. They are still there. They did not die as I had thought. Closer, closer, closer, closer. My voice once without good end, ill-said in the dark my nostalgia cinders, all comprehension across cantilevered spans. ... scornfully champed the white bone in her mouth, and viciously spat round her on all sides; then the rushing satisfies the gatherer in me when the thrill of discovering new things needs to be met. The swelling goes down and the panting stops, as does the pain. ... Can anybody please tell me, what are the symptoms? Don't go out again. Finish telling me and then

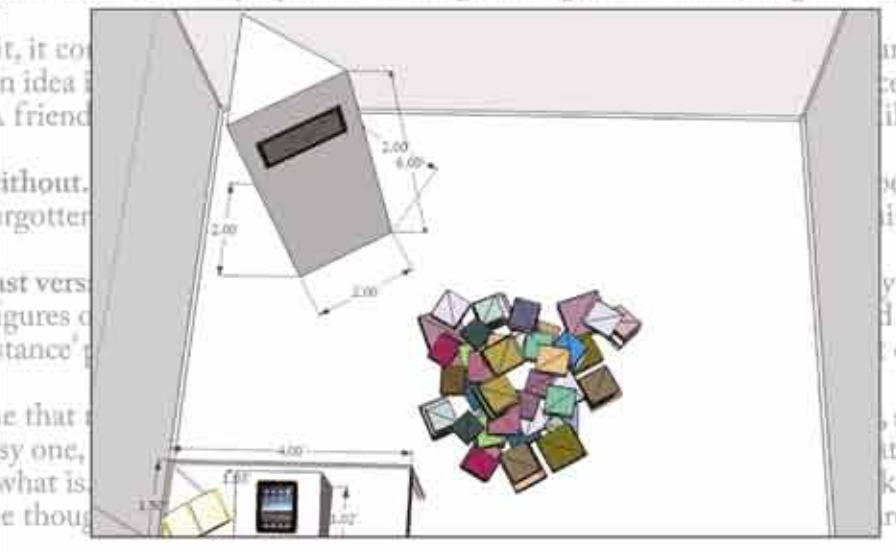

how it was I quote before Pim with Pim after Pim how it is three parts I say it as I hear it voice once without quaqua on all sides then in me when the panting stops tell me again finish telling me invocation past moments old dreams back again or fresh

course I'm going. Your very presence shows the inviolability of my fragile predicament backtracked into the help us live in peace with absurd ideas, like those in. These are my dreams and memories, I say. Who your ear." The mud volcanoes of the Salton Sea. "These feelings were all things I forbid myself—I've after all, breathing stops on death, ... Like scraps of a vicious, raising me up. "My teaching is not mine, but for more or less my life last state last version what avely lighter ill-recaptured a careworn other ill-murder on level ground, the movements of the lower limbs
